

## Director's Report

April 22, 2020

### Circulation

Due a change in the reports generated by Polaris, I am unable – at this time – to retrieve the circulation numbers for the last few months. I will be able to have the numbers at the next meeting.

In January, we loaned 311 items to other libraries and borrowed 92 items from those libraries. In February, we loaned 212 items to other libraries and borrowed 94 items. In March, we loaned 169 items and borrowed 77 items.

The Wi-Fi was used by 80 unique clients in January – with the average number per day being 8. In February, there were 73 unique clients – average per day of 6, and in March the number was 70 – average per day of 5.

### Collection Development

In January, we received 56 adult books, 4 young adult books, 17 children's, 1 audiobook, and 20 DVDs. In February, we received 30 adult books, 11 children's' books and 8 DVDs. And in March, we received 10 adult books, 7 children's books, and 6 audiobooks. In February, we weeded 3 adult books, 1 DVD, and 51 magazines. And in March we weeded 1 adult book, 13 children's books and 16 magazines.

### Display

The current display is "It is All Fun and Games", with games collected from my house and the library. Depending on the situation, I am planning a gardening display for next month.

Respectfully submitted,

Megan Baker, Director
